Subject: 405 22 605 the effect on my life

I have been very patient and nonverbal regarding the changes that have been going on behind my backyard. But, I feel compelled to express my opinions due to this email. Obviously, I cannot sleep, and have therefore obtained a prescription from my doctor for sleeping aides. I have had my carpet cleaned many times and of course, washed down my front patio and backyard. I will continue this operation until the project is complete. I am supportive of anything that will be a positive influence on Long Beach :-).

Only Alternatives 2 and 3 would require relocation of the Almond Avenue soundwall. Caltrans/OCTA have considered design options to avoid relocation of the soundwall under Alternatives 2 and 3. Please see Common Response – Almond Avenue Soundwall.
